PROPERTY OVERVIEW

This opportunity represents a unique opportunity for those looking for an automotive/industrial shop. With four buildings, available on four individual parcels, each location offers its own strengths while collectively providing a robust and scalable opportunity. Ideal for a variety of businesses looking for a high-visibility, strategically located property. This well-maintained space combines modern amenities with a functional layout, making it a prime opportunity for any automotive or industrial user. This layout creates ample storage area or warehouse space, ideal for any automotive or additional operational needs. These commercial shops stand out, offering a prime location, modern amenities, and significant business potential. Its strategic position, coupled with its high-quality features, makes it an ideal choice for entrepreneurs looking for a top-tier commercial space.

LOCATION OVERVIEW

The area surrounding Central Avenue and Juan Tabo Boulevard offers a highly advantageous location for commercial properties. With its blend of high visibility, accessibility, and proximity to I40, it represents an attractive opportunity for businesses seeking to establish or expand their presence in Albuquerque. Central Avenue is part of the iconic Route 66, adding historical and cultural significance to the location. This location is surrounded by automotive sales, repair, and maintenance facilities. As well as commercial trailer and truck sales and repair. This area combines a mix of residential, commercial, and retail spaces, making it a desirable spot for businesses seeking high visibility and accessibility.
