#### **PROPERTY OVERVIEW**

124 Alvarado is a 5,900 SF freestanding medical building located in the SE Heights submarket of Albuquerque. The property can be easily demised for two tenants. The previous tenant, Active Life Prosthetics & Orthotics, occupied the entire building and used the west side for call center and administration functions. The east side was used for patient consultations, waiting room, and a workshop to fabricate and adjust prosthetic devices. The building has refrigerated air, features a well-maintained TPO roof, upgraded electrical and fiber internet. Also featured is a high-quality metal fence completely enclosing the property with a convenient auto opening gate.

The tenant is responsible for utilities, grounds maintenance, and HVAC maintenance. Landlord bills back for property taxes and insurance.
