## BUILDER: STRATEGIZING ENTRY INTO NEW MARKETS

### THIS PROGRAM ASKS:

- Where are the best potential target areas and why?
- How many units can a market sustain?
- Who is the existing competition in the area?
- How do we define Franchise or Market Territories?

## CITY SKYLINES: A STRATEGIC BLUEPRINT FOR FUTURE EXPANSION

### THIS PROGRAM COMBINES INFORMATION FROM COMPASS AND BUILDER AND ASKS...

- Using existing market presence as a benchmark, how can we measure the potential markets?
- Based on market capacity (# of customers) and store capacity (# of units), how can we optimize the client's expansion?
- Factoring in competition, how the consumer base spends its money, and geo-demographic analysis, how will we plan for future expansion in this market?

| CAPACITY SCENARIOS |               |
|--------------------|---------------|
| STRATEGY           | # OF STORE(S) |
| Conservative       | 1             |
| Moderate           | 4             |
| Aggressive         | 8             |

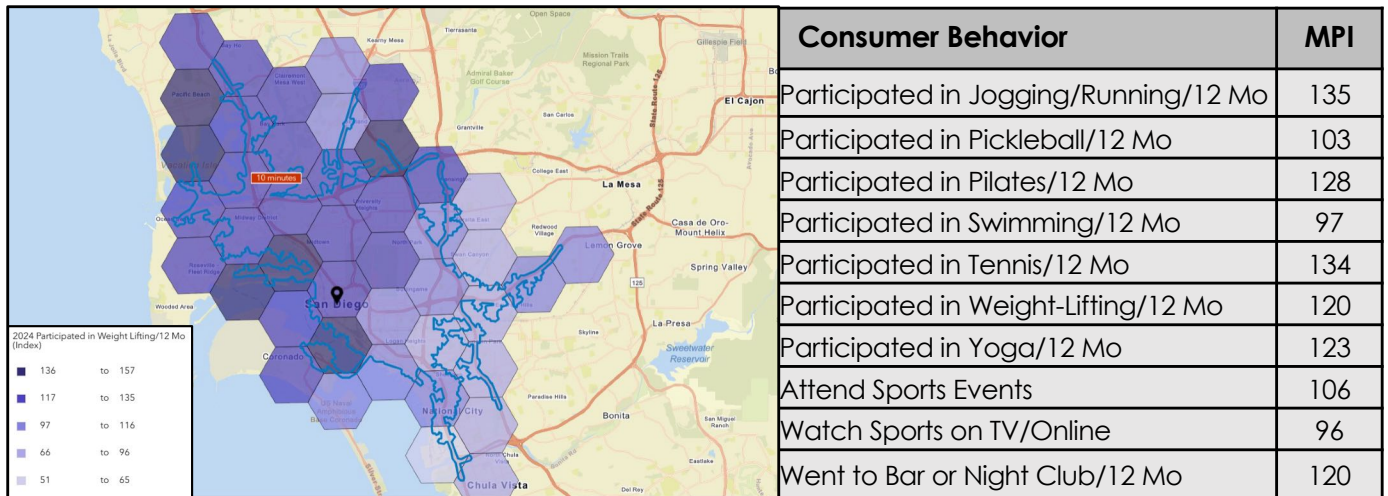

The map and chart illustrate store capacity and three market penetration scenarios based on the information gathered in City Skylines.

## SHARE OF WALLET: MARKET POTENTIAL & SPEND POTENTIAL

**MARKET POTENTIAL** data provides details about what type of goods, services, and activities consumers use and demand. The **MPI** (Market Potential Index) compares local consumer demand, attitudes, and behaviors to the U.S. average of 100. MPIs over 100 indicate above average demand.

**SPENDING POTENTIAL** data reports details by product or service and includes total expenditures, average spending per household, and a Spending Potential Index (**SPI**) which also compares to the U.S. average of 100.

## Who Will Be On Your Team?

**RESOLUT RE Master Broker** – your one point of contact for everywhere and for always!

**The RESOLUT RE Master Broker assigned to your account remains intimately involved throughout the expansion process- from the onboarding of the client or franchisee through to lease execution:**

- Reviews/filters all sites submitted by the LMB
- Helps put together the property tours
- Negotiates LOIs and leases
- All while serving as the liaison among all parties involved

**Local Market Broker** – the Master Broker will hire a LMB in the specific market area targeted for expansion. The Master Broker will educate the LMB on your concept, what makes it unique, what the analytics tell us, where the target markets are, and your site criteria.

**The LMB's responsibilities are as follows:**

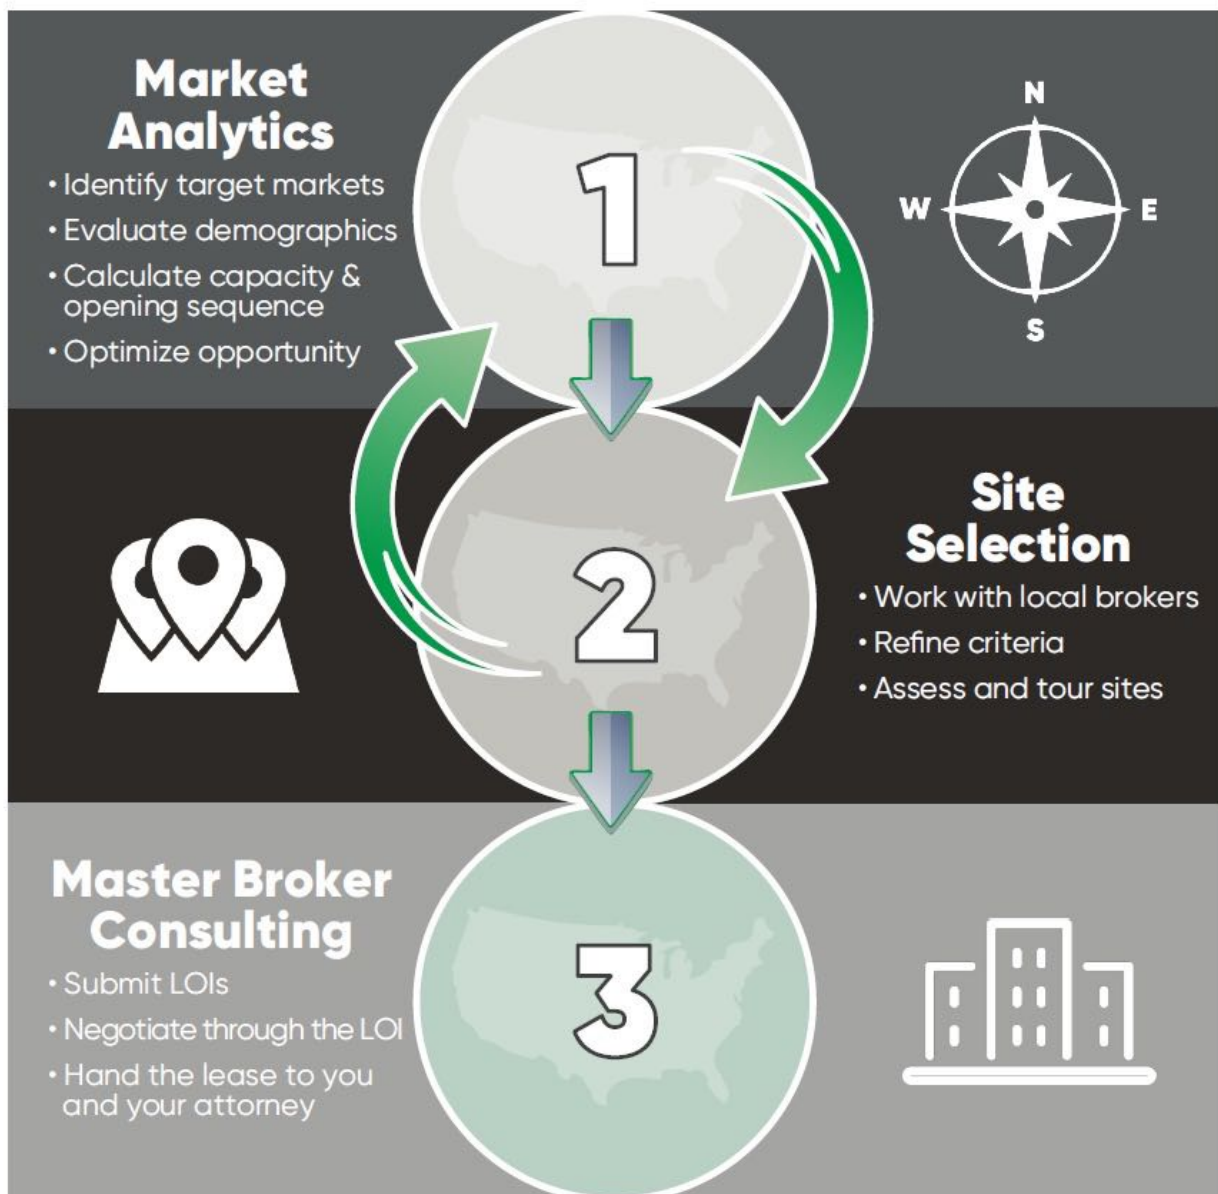

- Find sites (especially ones not on the market)
- Provide local market expertise
- Execute showings & market tours

**Criteria for selecting a LMB:**

- Expertise
- Bandwidth – does the LMB have the time, energy, and enthusiasm that we are looking for to service the account?
- Conflicts – either direct or indirect
  - Direct – do they rep one of your competitors?
  - Indirect – do they rep a client that doesn't conflict with your concept but possesses your exact criteria for site selection?

The LMB and RESOLUT RE split all fees 50/50. This works for both of us, because we both reduce our responsibilities by splitting the workload. This leaves both of us with more time for client interaction. We love the 50/50 split arrangement because we can execute more deals and satisfy more clients.
